PRINCIPAL'S MESSAGE

WEL COME!

A legacy educational institution, Sri ABR Govt. Degree College, Repalle was founded in 1972 with the goal of educating, advising, encouraging, and inspiring young people to become effective leaders who may better serve their country. Throughout the past 50 years, the campus has nourished and raised a number of leaders and professionals. I feel incredibly privileged to be associated with this organization.

Our main goal is to unearth, nurture, and bring out the magic and hidden abilities that are dormant in each student. Every student develops persistence and a never-say-die attitude throughout their academic and extracurricular experiences, which not only makes them good students but also bright people. In order for our students to develop confidence, critical thinking, leadership, creativity, and responsibility, the teachers and staff offer an academically interesting and enriching environment. I am extremely pleased with the college's development, and I am confident that we will continue on this path with evaluated enthusiasm and constantly give the next generation of learners a platform for holistic learning in the years to come..
